

THE BEST THEY KNOW.

YOU remember the old lady who rode for the first time on a railway train. There was a frightful collision, but when the rescuers reached her she was quite calm. She said she supposed they always stopped that way. The story well illustrates why so many women are satisfied to live without Ivory Soap. They have never tried it! Naturally enough, they think that annoying odors, sharp chemicals, and wasteful greasiness are common to all soaps.

ASSOCIATED PRESS WON.

Suit Brought by the United Press
Assigned Dismissed.

New York, April 26.—The action at law began by the assignee of the United Press of New York against the morning newspapers of Baltimore, via, the Baltimore American, the Sun, the Baltimore Herald and the Evening Star, was dismissed yesterday. It had been on trial before Judge Oldenham and a jury in the Supreme Court of this city for several days. It was terminated yesterday after the assignment of the suit to the Court of Appeals, which directed the Court to instruct the jury to bring in a verdict for the defendants, and also ordering the plaintiff to pay a sum amount of \$100 to the defendants' attorney.

It was developed at the trial that the Baltimore papers had contracted with the Associated Press, and the assignee had brought the suit to the New York Associated Press because the plaintiff's contract had been assigned to it when the New York Associated Press ceased business in 1894. The defendant papers claimed that the assignee had no right to sue them, as the original contract was for damages for the alleged breach of contract. The testimony given at the trial showed that the assignee had no right to sue, as he wanted to go to the Baltimore papers, and the only contract issued by the United Press was issued by an Illinois corporation, therefore the United Press of New York has no standing in court, and dismissed the suit with costs.

WESTERN LAWYER ARRESTED.

Fraud Charged Against George Hayford of San Francisco.

New York, April 26.—George Hayford, formerly a lawyer in San Francisco, and recently a lecturer on prison reform, was held in \$1000 bail by U. S. Commissioner Shields today on a charge of obtaining money on false pretenses. His action was originally brought in his home city of San Francisco, but he was granted a writ of habeas corpus and sent to the Federal prison here, under the only contract issued by the United Press.

The suit was brought by the United Press of New York, and the trial was adjourned, therefore the United Press of New York has no standing in court, and dismissed the suit with costs.

TO IMPROVE SIXTH STREET.

Business Men Take Steps in This Direction.

The Sixth Street Improvement Association met in room No. 22 at the Lindell Hotel yesterday. A committee of four was selected to go before the Police Commissioners and protest against three saloons in the block on Sixth street, between Morgan street and Lucas avenue. The members of the association declare, while they have no objection to the proximity of their business to places of recreation, they do not propose to have any objectionable places in the neighborhood. A committee consisting of F. Andrews and Alexander F. Tracy, who approached the police commissioners, owned in several desirable tenements for their buildings in order to raise the standard of the street.

Jacob H. Kress attended the meeting and J. F. Simenoprenner acted as secretary. The association is said to have been received by the secretary of the association, but owing to his absence it was not presented yesterday.
